

How can I get copies of my old Leave and Earning Statements (LES)?

Army Service Members

Active Army Service Members: Your LES's for the past 12 months are available on **myPay**. Copies of an LES greater than one year old should be requested from your servicing finance office.

Reserve/Guard Army Service Members: Your LES's for the past 13 months are available on **myPay**. Copies of an LES greater than three months old should be requested from your servicing finance office.

Separated Army Active Service Members: Once you are separated from the service, your LESs will no longer be available from myPay. You must send your request to the Military Pay Historical Records Branch and you must provide a photo copy of your government issued identification (i.e. your military identification card, driver's license), name, social security number, branch of service, component, period of LESs being requested, reason for request, phone number, e-mail address and mailing address. To send your request via e-mail, please click on the askDFAS icon located in the top right hand corner of the www.dfas.mil home page.

Separated Reserve Army Service Members: Your LES's for the past 12 months will remain available until they have cycled off through normal monthly updates. For a LES greater than one year old, you must send your request to the Military Pay Historical Records Branch and you must provide a photo copy of government issued identification (i.e. your military identification card, driver's license), name, social security number, branch of service, component, period of LES being requested, reason for request, phone number, e-mail address and mailing address. All requests must be signed. To send your request via e-mail, please click on the askDFAS icon located in the top right hand corner of the www.dfas.mil home page.
