

INFORMATION SYSTEMS TECHNOLOGY (299-03)

SPECIALIZATION IN WEB DESIGN/E-COMMERCE

Purpose: This program prepares students for entry-level employment in the rapidly growing telecommunications field, including Web page design and E-commerce. The courses are offered in day and evening sessions. Some courses are offered on weekends and many IT courses are available through distance learning.

Program Entrance Requirements: COMPASS placement test scores in writing, reading and mathematics are used for initial placement in English, mathematics and required program courses. Additionally, students should be proficient in basic keyboarding before entering this program.

Dual Enrollment: Some IT courses may be available through dual enrollment in Hampton, York County, Newport News, Poquoson and Williamsburg/James City County. See your guidance counselor or call the College Outreach and Recruitment Director at 757/825-2801.

Certifications: The College does not require certifications as part of the degree program; however, students may be eligible for various certifications after successful completion of specific courses. Contact the program head for additional information.

Job Placement: Assistance in job placement is provided through the College's Career Center upon completion of the degree program.

Transfer: This degree program is not designed for transfer to a four-year program; however, graduates of this program may have the opportunity to transfer into certain four-year programs. For further information, contact the College Academic Planning and Transfer Center or the program head.

Tech Prep Career Pathways is a comprehensive program of specific Career Pathways that provides a seamless transition for students from secondary to postsecondary education and the skilled workforce, and that positions students for high wage, high demand, and/or high skill careers. Students who choose to take a course that is part of a Tech Prep Career Pathway, may receive college credit as well as high school credit for successful completion of the course, through the Dual Enrollment program. Please contact the Office of Outreach and Recruitment, 757-825-2905 for information on the list of courses, their availability, and the dual enrollment application/enrollment process.

For more information, contact the **Business, Public Services and Social Sciences Division** in room 122 Diggs Hall, 757/825-2900, or at www.tncc.edu.
