Dual Enrollment Permission Form

Eligible high school students may take courses at Thomas Nelson Community College (TNCC) under the Dual Enrollment Agreement. Students must complete the TNCC Application online, take the college placement test, and register using the Dual Enrollment Permission Form. All students are subject to the Code of Student Conduct published in the TNCC catalog. State policy mandates that high school students in the Dual Enrollment Program cannot enroll in developmental courses. Changes in enrollment status (dropping or withdrawing from courses) must be processed at the College as well as at the high school.
