In addition, all students who have been approved must follow these Academic Plan Agreement Requirements:

- Successfully complete 100% of attempted credit hours.
- Only enroll in classes required for your program of study.
- Maintain/Earn a 2.0 or higher semester GPA (depending on your appeal).
- Must not withdraw from any classes (after the last day to drop) and must not receive an Incomplete as a final grade.
- Consider meeting with your assigned Academic Advisor if needing assistance.
- Adhere to the SAP Graduation Plan (the classes you listed in your appeal to complete your degree program).

*Please be advised that Navigate will report to Financial Aid any concerns regarding your academic and attendance record. **This form must be signed and submitted before financial aid will be disbursed.**
