

**Thomas Nelson Community College
Salary Reduction Agreement
Pre-Tax Parking Fee**

This payroll deduction option allows you to take advantage of Internal Revenue Service (IRS) tax guidelines and save you federal and state taxes, as well as reduce taxable amounts on which social security (OASDI and HI Taxable) are based. The amount charged for your parking fee will be deducted from before tax dollars.

Parking fees will be deducted in **one payment of \$30.00 or \$45.00** on the first available pay date following the date of this agreement (Check Distribution Schedules are posted on the Human Resources website). For reserved parking, the fee of \$220 plus the decal cost of either \$30 or \$45 will be deducted in one check.

By signing below, I have agreed to allow Thomas Nelson Community College to deduct the annual parking fee/citation of: (check all that apply)

- _____ \$30 for one parking permit
- _____ \$45 for two parking permits
- _____ \$60 for three parking permits
- _____ \$220.00 for a reserved parking place
- _____ Pro-rated fee (to be determined by the Business Office)
- _____ Elect to have citations withheld in the amount of \$ _____
(This election is not a pre-taxed deduction. It will be processed as an Agency Due deduction)

from my paycheck for the 2021- 2022 academic year. I understand that this election is irrevocable for the current academic year and that parking fees are non-refundable. I also understand the tax implications to me by paying for parking fees with pre-tax deductions.

- Full-time Classified, Administrative Professional and Teaching Faculty
- Adjunct Faculty
- P-14 Hourly employee
