

GUARANTEED ADMISSION AGREEMENT
Between Western Governors University
and
Virginia Community College System
For the RN to BSN Nursing Program

Western Governors University (WGU) and the Virginia Community College System (VCCS), recognizing the need to facilitate the admission of transfer students from Virginia's community colleges to WGU as they pursue a bachelor's degree in Nursing, resolve to adopt a Guaranteed Admission Agreement (GAA). VCCS students who do not meet the terms described herein may still apply and will be considered for admission, although admission is not guaranteed.

Section I: General Admission Requirements and Eligibility

To be guaranteed admission under this GAA, a VCCS student must graduate with an associate's degree in nursing, have an active RN license and meet the WGU admission requirements outlined below. These students are referred to as "GAA students." To be admitted under the terms of this agreement, GAA students must:

1. Satisfactorily complete the "WGU Readiness Assessment". This is a short online assessment taken after a student applies to the program. This assessment helps determine readiness for collegiate-level study in an online environment that relies heavily upon writing ability. The results are used to evaluate collegiate academic readiness.
2. Complete an intake interview (phone) with a WGU enrollment counselor.
3. Submit official transcripts for all academic work completed. These must be received by WGU no later than the 10th of the month prior to the anticipated program start date.
4. Earn a VCCS associate of applied science (AAS) in nursing.
5. WGU will require no additional prerequisites as a condition of enrollment and qualified VCCS graduates can enroll monthly.
6. Provide evidence of a current, unencumbered U.S. license to practice as a Registered Nurse (RN).
7. Provide evidence of current employment in a position that requires use of nursing knowledge and expertise at the time of application and enrollment. (*WGU Nursing Student Handbook, Nov 2011 – Article 2498*. To access the WGU Nursing Student Handbook, go to:
<https://kb.wgu.edu/display/2/index.aspx?c=&cpc=&cid=&cat=&catURL=&r=0.77959144115448>
and select "Nursing Student Handbook" from the menu.)

GAA students may expect the following:

1. GAA students accepted to WGU under the terms of this agreement will be admitted with senior (fewer than three terms to complete) standing into the Bachelor of Science in nursing program.
2. GAA students will be given the same consideration as native WGU students for registration, financial aid, and any other opportunities open to native students with senior standing.
